Welcome to Iceland! Your next seven days will be spent exploring this amazing country filled with beautiful nature, wonderful food, and inspiring art and culture. You will be met by your private local guide at the airport and set off to enjoy breakfast at Viking World Café as you take in the magnificent view of the Atlantic Ocean. After leaving the museum get a feel for Reykjavik, often called the greenest city on Earth. You will see the Höfði House, best known for the 1986 summit meeting of U.S. President Ronald Reagan and Soviet Union President Mikhail Gorbachev that effectively marked the end of the Cold War, the Perlan Restaurant and the presidential residence at Bessastadir. Later you will visit Hallgrím's Church and the University District as well as the Old Town Center and modern City Hall. Later in the day, admire the artwork of Ásmundur Sveinsson and Einar Jónsson, both famous Icelandic artists.
