

# HIGH POTENTIALS

A GEORGIA CHAMBER LEADERSHIP PROGRAM

**Why Participate:** Build tangible leadership skills and a deeper understanding of your company's impact in the community to be better prepared for outward facing responsibilities.

**Program Content:** Corporate social responsibility, community and civic relations, policy and political engagement, and external effectiveness. Programming equips individuals with the skills to address emerging opportunities and challenges facing individual companies and the State's business community given new political and social expectations.

**When:** June 8, 2020- June 11, 2020

## Alumni & Employer Testimonials

"I benefited immensely from the Georgia Chamber High Potentials Leadership program. From learning about meaningful ways to engage in my community to networking with fellow High Potential Leaders, this program has equipped me with powerful tools and resources that have supported my journey in leadership."

Sabrina Taylor, Delta  
General Manager, Corporate Real Estate

"Our external leaders are engaged and invested in every aspect of the communities they serve in pursuit of Georgia Power's mission to be a 'Citizen Wherever We Serve.' The Georgia Chamber High Potential Program compliments the skill sets that our leaders possess and equips them with new ideas, practices and strategies to maximize their effectiveness in communities across Georgia."

Pedro Cherry, Georgia Power Company  
Executive Vice President, Customer Service and Operations
