

- On the **Active Applications** page under **Apply for a new document** select a document from the **Apply for** dropdown list e.g. Certificate of Origin.

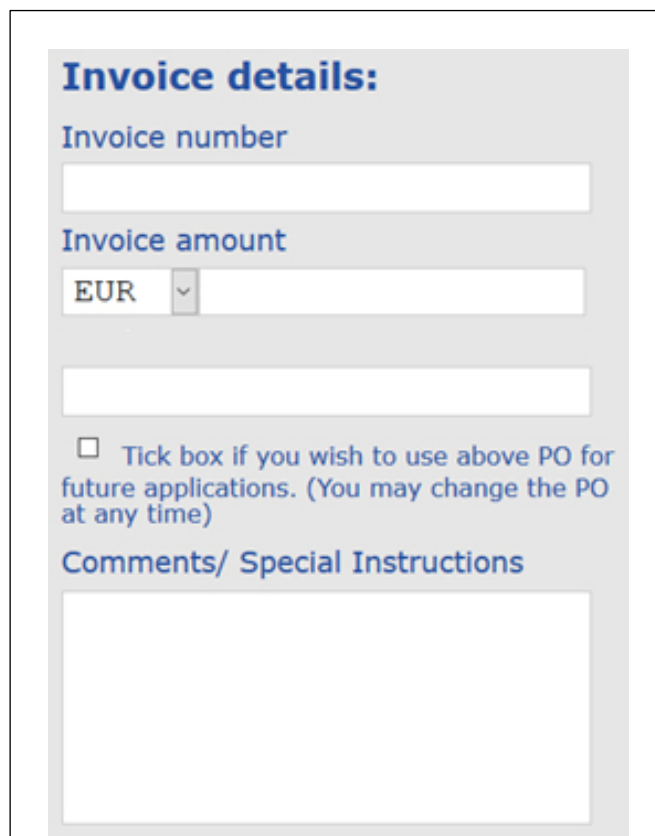

The screenshot shows a dropdown menu with 'Certificate of Origin' selected. To the right is a search section with filters: 'Await Approval (All)', 'Drafts (All)', and 'Rejected (Last 90 days)', along with a 'Client Ref Includes' field and a 'Search' button.

- The Certificate of Origin application page will then open. Here you will complete all the required fields for your application.
- Scroll down the page and you will see the **Attachments to Application**, here you can attach any supporting documents to your application. If you need your documents certified by the Chamber you need to tick the Certify box to the right hand side of the attachment.

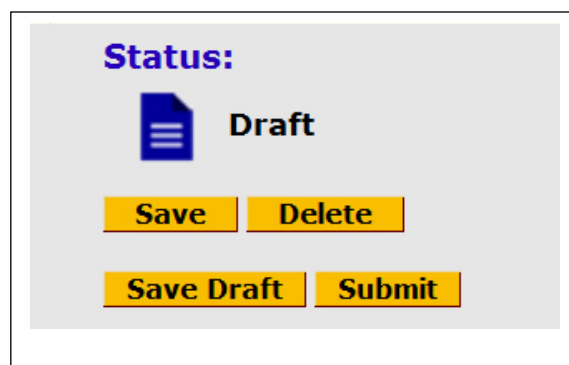

The screenshot shows two attachment options: 'Upload Invoice' and 'Upload Packing List'. Each has a 'Certify' checkbox and a 'Documents Required' checkbox. Below is a dropdown menu to 'Add another type'.

- To the right hand side of the **Attachments to Application** you will see the **Invoice Details** section. Here you can enter:
 - Invoice number
 - The invoice amount (value of the shipment, if entered it may be used for statistical purposes by the Chamber)
 - Enter any Comments/Special Instructions for the Chamber

The screenshot shows the 'Invoice details' section with fields for 'Invoice number', 'Invoice amount' (with a currency dropdown set to 'EUR'), and a 'Comments/ Special Instructions' text area. A checkbox is present for 'Tick box if you wish to use above PO for future applications...'.

- Above the **Invoice Details** section you will see four action buttons:
 - **Save** – saves the application and allows you to keep working on the application
 - **Save Draft** – saves & closes the application (you will need to enter a minimum amount of information to use this, the system will prompt you)
 - **Delete** – will delete the application and all entered information
 - **Submit** – this will bring you to the processing options page in order to submit the application to your Chamber.

The screenshot shows the 'Status' section with a 'Draft' icon and text. Below are four buttons: 'Save', 'Delete', 'Save Draft', and 'Submit'.
