

Georgia Chamber Safe & Clean Event Plan

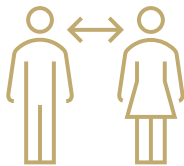

Temperature Taking

Temperature checks will be conducted before entering any event. Anyone with an elevated temperature or fever will not be allowed into the event.

Mask-Up

All attendees must wear appropriate face coverings. As vaccines ramp up, maintenance of safety protocols is essential to an expedited return-to-work.

Social Distancing

Social distancing measures will be observed. Our event setup allows guests to comfortably maintain a six-foot distance from others throughout the facility. Chairs at our tables will also be set up six-feet apart from one another with 4 chairs to a table.

Hand Washing

Frequent hand washing as well as greeting one another with an elbow-bump are encouraged practices at all of our events.

Food & Beverage Handling

Any and all food & beverage offered at an event will be managed through the catering service in accordance with CDC guidelines.
