FROM THE CEO

Greetings,

On behalf of the Georgia Chamber, I would like to thank you for your commitment & leadership of the local communities that you serve in Georgia.

For over a century, our success has been a direct result of the strong partnerships between business and government and the willingness of local partners, like you, to engage with us and let your voice be heard at the state capitol and in D.C. Though we have weathered an unprecedented economic recession with the onset of COVID-19 in 2020, we have also seen a strengthening of Georgia's economy to overcome, adapt and invite a more resilient future where global pandemics are manageable, equity and inclusion are readily embraced, and we are even more unified and prepared to combat those challenges yet to be seen.

We encourage you to take advantage of all that the Georgia Chamber has to offer. This new Federation member packet provides a high-level overview of all that we do to work with you, and together, move into a reimagined New Georgia Economy.

Thank you, again, for all you do for our state and the communities in which you serve.

Regards,

Chris Clark, CCE, CEcD
